

2016 Meet Schedule

When there are two meets in one weekend, athletes can choose which meet to attend (Sat or Sun). However, participation in both the Columbus Classic (Oct. 16) and the Junior Olympic State Meet (Nov. 12) is highly encouraged, as we want a strong club presence at those meets.

There will be coaches present at all of the following meets.

The Hoosier Cross Country Grand Prix series is a points-based series, so if one chooses to be competitive in the series, competing in those meets is recommended.

The Junior Olympic meets are a three level meet series. All may enter the State Meet. The top 30 individuals and top 5 teams in each age division advance to the Regional meet. The top 30 individuals and top 5 teams advance from Regionals to the National Meet.
