

Columbus Pathfinders Youth Cross Country Club

2016 Sponsor Application

Thank you for supporting the Columbus Pathfinders. Your generosity will help enrich our program as we work to reach the youth in our community through the sport of cross country. Our goal for this season is to acquire funds to help offset our athletes' expenses surrounding the USATF National Junior Olympic Cross Country Championship Meet in Hoover, Alabama on December 10, 2016. Some of the expenses include travel, food, and lodging. It is our goal that all athletes who work hard to qualify for the National Meet will have the means to participate, and that the cost involved will not be a hindering factor. Thank you for helping us meet this goal.
